

BEFORE & AFTER SCHOOL

M I D - W I N T E R B R E A K

Coming next week...

Mythbusters!

Remember: Your child must be here by 9 a.m. on all field trip days!

Wednesday, Feb. 10th

Seattle Underground Tour & Volunteer Park

*We'll learn some of the history of Seattle by exploring underneath Pioneer Square! ***You must wear walking shoes--this is a rugged tour!***

Thursday, Feb. 11th

The Museum of Flight

We will explore aviation history, science, and technology, and the most interesting, strange, and amazing aircrafts!

Friday, Feb. 12th

Pacific Science Center

We will explore the many exhibits at PacSci and discover the many mysteries of science.

THIS WEEK...PROJECT RUNWAY

We discussed how clothing makes it way from the mind of the designer to manufacturing to stores to our closets. The kids got to become artists and were challenged to design an outfit that incorporated the elements: earth, wind/air, fire, and water. First the students made drawings of their ideas with notes about the details. Then they created paper dolls and finalized the concepts with various classroom materials and had the opportunity to display their work for their classmates.

LAST WEEK...TRADING SPACES

The boys and girls were charged with designing a space for each other.

Each team had a small budget to bring their creative ideas into reality. The girls designed a Lego Star Wars space for the

boys; and the boys designed a confectionary wonderland for the girls.

PLEASE REMEMBER:

- **Flip-flops and cros are not permitted at KCS.** Sturdy footwear is necessary for a safe and fun camp.
- **Arrive by 9 a.m. on all field trip days.** You may not drop off at field trip destinations.
- **Please bring a jacket.** Our weather varies throughout the day: be prepared!
- **Keep reading.** Students are welcome to bring an appropriate book from home to keep in their cubby. Be sure to label all personal items!
