

# Color & Light

## Week 1: Observing Colors

---

### Our topics for this week:

- *Water Color Bottles*-Color is a characteristic of most things in the world around us. Colors can be named.
- *Colorful View Tubes*-Looking through a piece of colored cellophane makes objects you look at appear to be a different color.

### Songs, fingerplays, movement activities:

Red, Yellow, Blue, A Song of Colors; 99 Red Balloons; color scavenger hunt

### Sample tray activities:

Water color bottles, colored shaving cream, color sorting, kaleidoscopes, chalkboard, colored hair gel bags
